

**Project Title: Encouraging Noticing-  
Can visual supporting material contribute towards effective teaching of technical skills?**

**Please Circle your answer.**

1. Were you aware of how to sew a chain stitch belt loop prior to this demonstration?

Yes / No

2. Have you ever tried to sew a chain stitch belt loop before?

Yes / No

3. Were you able to complete a sample of the chain stitch belt loop today?

Yes / No

**Please colour in the bar to indicate your answer.**

**Example:**

4. How clear was the demonstration?

5. After watching the demonstration, how confident are you that you understand how to sew a chain stitch belt loop?

6. How much additional instruction did you need to complete a sample of the stitch?

7. Was there anything particular about the teaching that helped you to learn the skill?

Please answer here

8. Was there anything that you found made it difficult for you to learn the skill?

Please answer here

## Participant Consent

- I understand that I have given approval for my opinions to be included in the research outputs. Anything I write may be used in academic papers relating to the project, although these quotations will be anonymous.
- I have read the information sheet about the research project, which I have been asked to take part in and have been given a copy of this information to keep.
- By ticking this box, I understand that I am fully and freely giving my consent to participation in the study, which has been fully explained to me.
